Subject: Approval Needed for NABA Membership

To whom it may concern:

I am reaching out to request approval for dues payment of my NABA, Inc membership. NABA is the oldest and largest professional membership organization focused on the development of black accounting, finance, and business professionals. The vision of NABA is to path and pave the way to a more just world, unleashing endless opportunities for growth and advancement, so that black business leaders achieve the best version of themselves at every point of their journey.

An NABA membership, paid \$200 annually, comes with immediate access to the following:

- General Body Meetings, Webinars & CPE Sessions
- Extensive networking and mentoring opportunities with peers and other industry leaders
- Member discount for all NABA events including the Annual Convention
- Subscription to Spectrum Magazine and the NABA National newsletter
- Opportunities to learn and practice skills while contributing to the services offered by NABA and gain visibility while participating on volunteer committees
- Opportunities to develop/refine leadership skills through leadership roles (negotiation, generating consensus, influencing without authority, presentation skills, team building, team management skills, and more)

I am confident that an NABA membership is a good investment for our organization and will help me continue to deliver on my commitment to engage, empower, and educate black business leaders. I look forward to hearing back from you, and welcome the opportunity to discuss further.

Thank you,
